HELMBOLD'S GENUINE PREPARATION Highly Concentrated Compound Fluid Extract Buchu.

For Diseases of the Bladder. Kidneys, Gravel, Dropsy, Weaknesses. Obstructions, Socret Diseases, Female Complaints, and all Diseases of the Sexual Organs, Arising from Excesses and Imprudencies in life, and removing all Improper Discharges from the Bladder, Kidneys, or Sexual Organs, whether existing in MALE OR FEMALE

From whatever cause they may have originated, And no Matter how long Standing, Giving Health and Vigor to the Frame, and Bloom to the Pallid Cheek. JOY TO THE AFFLICTED!!!

It cures Nervous and Debilitated Sufferers, and removes all Symptoms, among which will be found Indisposition
to Exertion, Loss of Power, Loss of Power, Loss of Memory
Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet Weakfalness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptons, Hot Hands, Flushing of the Body, Dryness of the Skin, Fallid Countenance and Eruption on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight; Want of Attention; Great Mobility; Restlessness, with Horror of Society. Nothing is more desirable to such Patients, than soltude, and nothing they more dread for fear of themselves; no

more dread for fear of then selves; no
Repose of manner, no Earnestmess, no Speculation, buts hurried transita-

tion from one question to another.

These symptoms if allowed to go on—which this me icine invariably removes—soon follows Loss or Pow dicine invariably remover—soon follows Loss of PowER, FATUITY, AND EPILEPTIC FITS—in one of which
the patient may expire. Who can say that these excesses are not often followed by those dreadful discuses—
INSANITY AND CONSUMPTION! The records of the INSANE ASYLUMS, and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. In Lunatic asylums the most melancholly exhibition appears. The countenance is actualiv sodden and almost destitute—neither mirth or grief
ever visits it. Should a sound of a voice occur, it is
rarely articulate.

"With woeful measures wan despair;
Low sullen sounds his grief beguiled."

Debility is most terrible! and has brought thousands upon thousands to untimely graves; thus blasting the ambition of many noble youths. It can be cured by the use of this INFALLIBLE REMEDY.

If you are suffering with any of the above distressing allments, the Fluid Extract Buchu will cure you.

Try it and be convinced of its efficacy Beware of Quack Nostrums and Quack Doctors, who falsely boast of abilities and references.—Citizens know and avoid them: and save long suffering and money and exposure, by sending or calling for a bottle of this Popular and Specific Remedy.

It allays all pain and inflamation, is perfectly plain pleasant in its taste and odor, but immediate in its action.

Helmbold's Extract Buchu Is prepared directly according to the rules of PHARMACY AND CHEMISTRY. with the greatest accuracy and Chemical knowledge and cree devoted to its combination. See Prof. DEWEES' Valuable Works on the Practice of Physic, and most of the late standard Works of Medicine.

100 m One hundred dollars will be paid to any Physician whe can prove that that the Medicine ever injured a patient; and the testimony of thousands can be brought to prove that it does great good. Cases of from one week to thirteen years' standing have been effected.—The masses of Voluntary Testimony in possession of the Proprietor, vouching its virtues and curative powers is immense, embracing names well known to

THE CELEBRATED HOLLAND REMEDY FOF DYSPEPSIA.

DISEASE OF THE KIDNEYS. LIVER COMPLAINT. WEAKNESS OF ANY KIND

FEVER AND AGUE, A ND the various affections consequent upon a dis-STOMACH OR LIVER,
Such as Indigestion, Acidity of the Stomach, Colicky
Pains, Heartburn, Loss of Appetite, Despondency,
Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others affected decided cure.

This is a purely vegetable compound, prepared on
strictly scientific principles, after the manner of the
celebrated Holland Professor. Bærhave. Because of its
great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and
there over the face of this mighty country. Meeting
with great success among them, I now offer it to the
American public, knowing that its truly wonderful
medicinal virtues must be acknowledged.

It is particularly recommended to those persons
whose constitutions may have been impaired by the
continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its
way directly to the seat of life, thrilling and quicken
ing every nerve, raising up the drooping spirit, and, in
fact, infusing new health and vigor in the system.

NOTICE—'Whoever expects to find this a beverage
will be disappointed; but to the sick, weak and low
spirited, it will prove a grateful aromatic cordial, pos
sessed of singular remedial properties.

CAUTION! STOMACH OR LIVER

CAUTION! The great popularity of this delightful Aroma has in duced many imitations, which the public should guard against purchasing. Be not pursuaded to buy anything else until you have given Bærhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
